

# MB Asus Prime B760M-A WIFI D4

Brand: Asus  
Product Code: 4711081982678  
Availability:

Rp2.205.000

## Description:

|                         |                                                                                                                                                                                                                                                                                                                                                                                  |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| CPU                     | Intel® Socket LGA1700 for Intel® Core™ 14th & 13th Gen Processors, Intel® Core™ 12th Gen, Pentium® Gold and Celeron® Processors*                                                                                                                                                                                                                                                 |
| Chipset                 | Intel® B760 Chipset                                                                                                                                                                                                                                                                                                                                                              |
| Memory                  | 4 x DIMM, Max. 128GB, DDR4 5333(OC)/5066(OC)/5000(OC)/4800(OC)/4600(OC)/4400(OC)/4266(OC)/4000(OC)/3733(OC)/3600(OC)/3466(OC)/3400(OC)/3333(OC)/3200/3000/2933/2800/2666/2400/2133 Non-ECC, Un-buffered Memory*                                                                                                                                                                  |
| Graphics                | 1 x DisplayPort**<br>2 x HDMI® ports***                                                                                                                                                                                                                                                                                                                                          |

## PRIME B760M-A WIFI D4

- Socket LGA1700
- 4x DDR4 up to 128GB
- 5333MHz
- HDMI, DP
- B760 Chipset
- 2x M2 NVMe Gen4
- 4x SATA
- Wifi 6

|                  |                                                                    |
|------------------|--------------------------------------------------------------------|
|                  | 1 x 24-pin Main Power connector                                    |
|                  | 1 x 8-pin +12V Power connector                                     |
|                  | Storage related                                                    |
|                  | 2 x M.2 slots (Key M)                                              |
|                  | 4 x SATA 6Gb/s ports                                               |
|                  | USB                                                                |
|                  | 2 x USB 3.2 Gen 1 headers support 4 additional USB 3.2 Gen 1 ports |
|                  | 1 x USB 3.2 Gen 1 connector (supports USB Type-C®)                 |
|                  | 2 x USB 2.0 headers support 4 additional USB 2.0 ports             |
|                  | 1 x USB 2.0 header supports 1 additional USB 2.0 port              |
|                  | Miscellaneous                                                      |
|                  | 3 x Addressable Gen 2 headers                                      |
|                  | 1 x Aura RGB header                                                |
|                  | 1 x Clear CMOS header                                              |
|                  | 1 x COM Port header                                                |
|                  | 1 x Front Panel Audio header (AAFP)                                |
|                  | 1 x LPT header                                                     |
|                  | 1 x S/PDIF Out header                                              |
|                  | 1 x SPI TPM header (14-1pin)                                       |
|                  | 1 x 20-3 pin System Panel header with Chassis intrude function     |
| Operating System | Windows® 11, Windows® 10 64-bit                                    |
| Form Factor      | mATX Form Factor                                                   |
|                  | 9.6 inch x 9.6 inch ( 24.4 cm x 24.4 cm )                          |

## Data sheet:

- Socket CPU / Processor: CPU Intel Socket LGA1700
- Jenis Memory: DDR4
- Socket MotherBoard: MotherBoard LGA1700
- Rentang Harga: 2jt an
