

NB ASUS GAMING V16  
V3607VU-I74

Brand: Asus  
Product Code:  
Availability:

Rp18.300.000

Description:

|                    |                                                                                                                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Processor          | Intel® Core™ 7 Processor 210H 2.2 GHz (12MB Cache, up to 4.8 GHz, 8 cores, 12 Threads)                                                                                                                     |
| MEMORY             | 16GB DDR5 SO-DIMM                                                                                                                                                                                          |
| HDD                | 512GB M.2 NVMe™ PCIe® 4.0 SSD                                                                                                                                                                              |
| Optical Drive Type | No DVD RW                                                                                                                                                                                                  |
| Kartu Grafis / VGA | NVIDIA® GeForce RTX™ 4050 Laptop GPU (194 AI TOPs) - 6Gb                                                                                                                                                   |
| Ukuran Layar       | 16.0-inch WUXGA (1920 x 1200) 16:10 aspect ratio                                                                                                                                                           |
| Sistem Operasi     | Windows 11 Home + OFFICE HOME STUDENT 2024                                                                                                                                                                 |
| Interface Back     | 1x USB 3.2 Gen 1 Type-C with support for display / power delivery (data speed up to 5Gbps)<br>2x USB 3.2 Gen 1 Type-A (data speed up to 5Gbps)<br>1x HDMI 2.1 FRL<br>1x 3.5mm Combo Audio Jack<br>1x DC-in |
| Battery            | 63WHrs, 3S1P, 3-cell Li-ion                                                                                                                                                                                |

ASUS Gaming V16 V3607V

PORTABLE AI PERFORMANCE WITH RTX LAPTOP GPU  
IN MILITARY GRADE LAPTOP

**AI** AI Performance with up to  
70W TGP Series Laptop GPU

 ASUS IceCool with Dual fan  
and dual air vents

Data sheet:

- Merek: Asus
- Tipe Processor: Intel Core i7
- Kapasitas HDD: 512GB SSD
- Kapasitas Memory: 16GB
- Tipe VGA: Nvidia
- Ukuran Layar: 16"

- Rentang Harga: diatas 15jt
